Tel: (707) 391-3069

With the help as well as the experience of Evolution Cane Corso we can help you match a suitable male to your female Cane Corso. We at Evolution Cane Corso would like you to be successful in your breeding endeavors; therefore we would ask that you take certain points into consideration before entering into a contractual agreement with Evolution Cane Corso or its agents.

1. Healthy Hips:
 - a. You will be required to provide documentation from the Orthopedic Foundation of America (OFA) stating your bitch scored “good” or above. A PENN Hip Evaluation showing your bitch to have a minimum score of 50%.

2. Health Requirements:
 - a. Current rabies vaccination
 - b. Current vaccination records
 - c. Proof of a well check from a licensed DVM with a date within 12 months prior to the planned breeding.
 - d. You will be required to disclose any and all congenital medical problems which have been diagnosed.

3. Registration Requirements:

- a. You will need to show registration papers.
 - b. You will need to show the pedigree of your bitch.
 - c. If your bitch has been micro chipped please provide the chip number.
4. Your bitch will need to be evaluated for breeding quality:
 - a. Please provide photographs of the head, front, and profile of your bitch.
 - b. If possible please make arrangements for a personal examination of your bitch by Evolution Cane Corso or its agents.
 5. Prior Whelping Experience:
 - a. How many litters have you whelped?
 - b. Has the bitch had any prior litters?
 - c. How many times have you attempted to breed this bitch?

The bitch must meet the following requirements to qualify for breeding:

1. The bitch must be at least 18 months of age.
2. The bitch must be free of Hip Dysplasia as evidenced by an OFA Certification or PENN Hip Evaluation.
3. The bitch must have a recent (within the past 12 months) CERF
4. The bitch must have no disqualifying faults as defined Of the Breed.
5. The bitch must be of sound, stable, temperament. It is recommended that the bitch have been temperament tested or possess an AKC CGC.
6. The bitch must be in good health as evidenced by a recent veterinary examination, that must include the following:
 - a. A current vaginal cytology demonstrating the stage of her estrus cycle and if any bacterial diseases are present in the vagina that may cause venereal diseases or problems with her conceiving.
 - b. A list of current vaccinations
 - c. The name and phone number of your veterinarian.
7. the bitch should be bathed prior to delivery
8. A copy of her pedigree and photographs of the front, rear, and side of your bitch.

Terms and Conditions:

The stud fee is \$2000.00 US Dollars per breeding to be paid at the time contract is signed, and prior to the live breeding, or before we can send a double tube of fresh chilled or frozen semen to your Vet's office.

We guarantee an actual tie mating will occur and that live sperm are found in the bitch immediately after mating as evidenced by microscopic examination. In some special situations an artificial insemination will be provided but only if this method is approved by the owner of the bitch.

If the bitch fails to conceive, a second breeding attempt will be provided as long as the owner of the bitch has provided documentation to Evolution Cane Corso proving that no litter was produced. Acceptable documentation would be a negative ultrasound preferment 30 days after the last breeding date. This documentation must be sent to Evolution Cane Corso by a licensed DVM.

If the bitch does not whelp two live puppies one free stud service will be provided to the original bitch, or a mutually agreed upon bitch, at a time agreed on by both parties.

All transportation charges and veterinary expenses will be the sole responsibility of the owner of the bitch. There is no charge for boarding the bitch for the first 14 days, after which there will be a charge of \$20.00 dollar per day. This fee includes food, water, and exercise. We will supply pedigrees, and photographs of the stud male to help facilitate the sale of the litter.

Evolution Cane Corso will aid in the placement of the litter that is a result of this breeding for a fee of \$1000.00 US Dollars per puppy placed.

The owner of the bitch warrants that this bitch has not been exposed to any stud dog prior to her arrival at Evolution Cane Corso, and that she will be protected from such exposure after her return home.

The owner of the bitch hereby releases from responsibility Evolution Cane Corso or its agents from any and all liabilities and/ or damages to said bitch while she is in our care.

The above agreement is made and signed this ____ day of _____, 20____ by Evolution Cane Corso and the owner of the bitch to assure the wellbeing of the animals involved and their progeny. This contract shall be deemed a legally binding contract and is under the jurisdiction of the State of California. It is further agreed that the place of venue shall be at Evolution Cane Corso's facilities or choice of location. It is agreed that any and all disputes shall be settled in Mendocino County, California.
